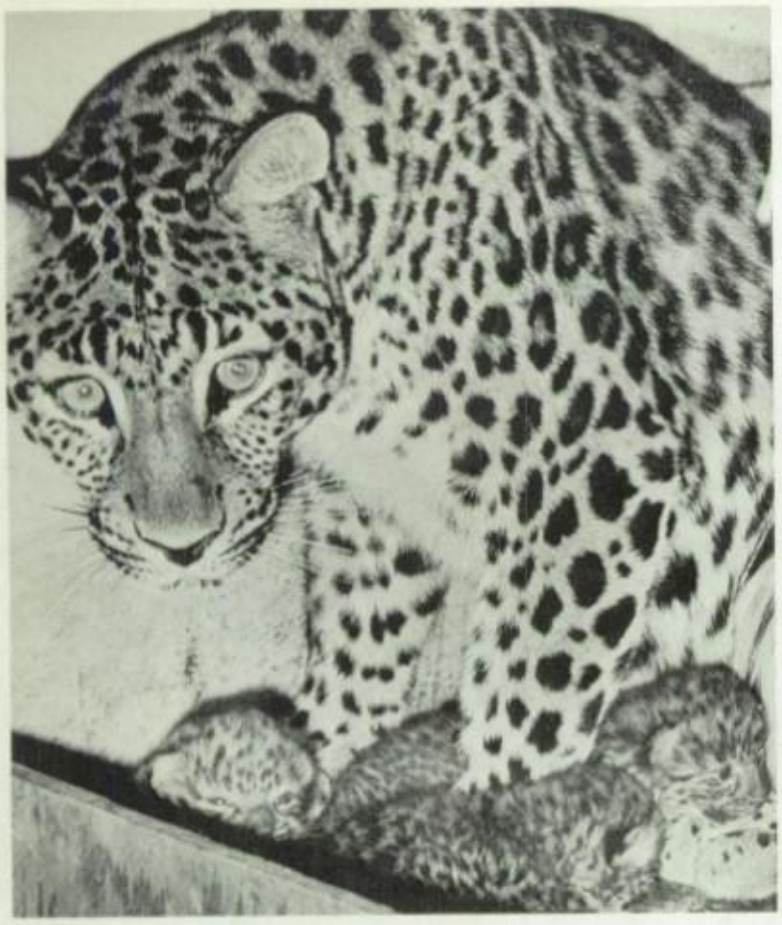
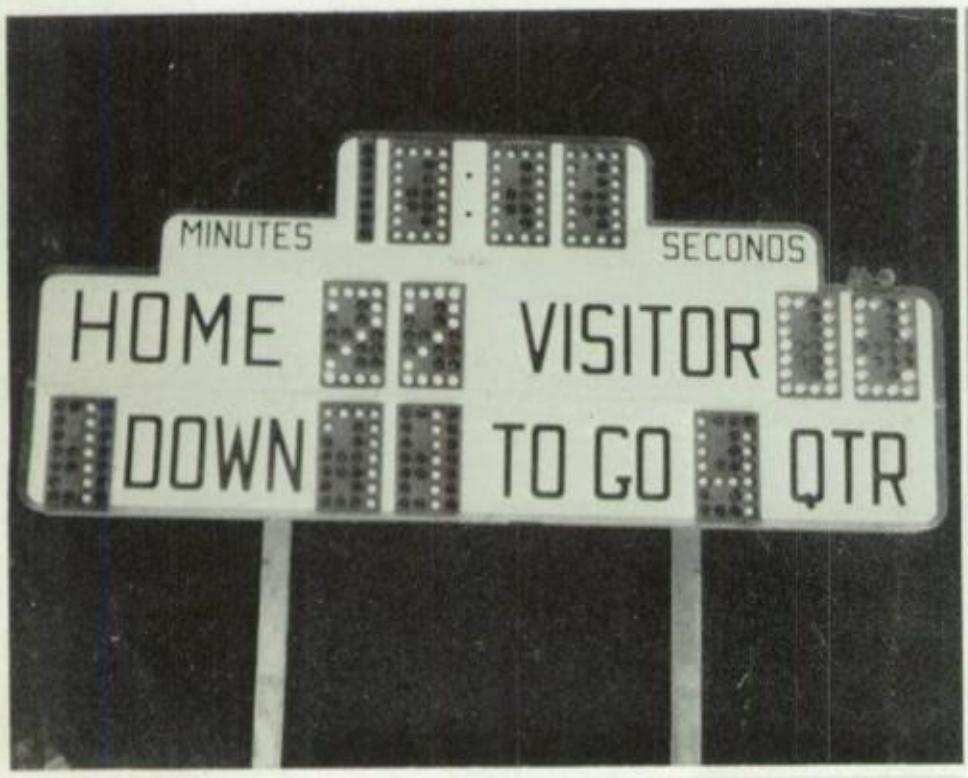
MAPLELOGUE '74
Volume XV
Maplewood High School
Nashville, Tennessee

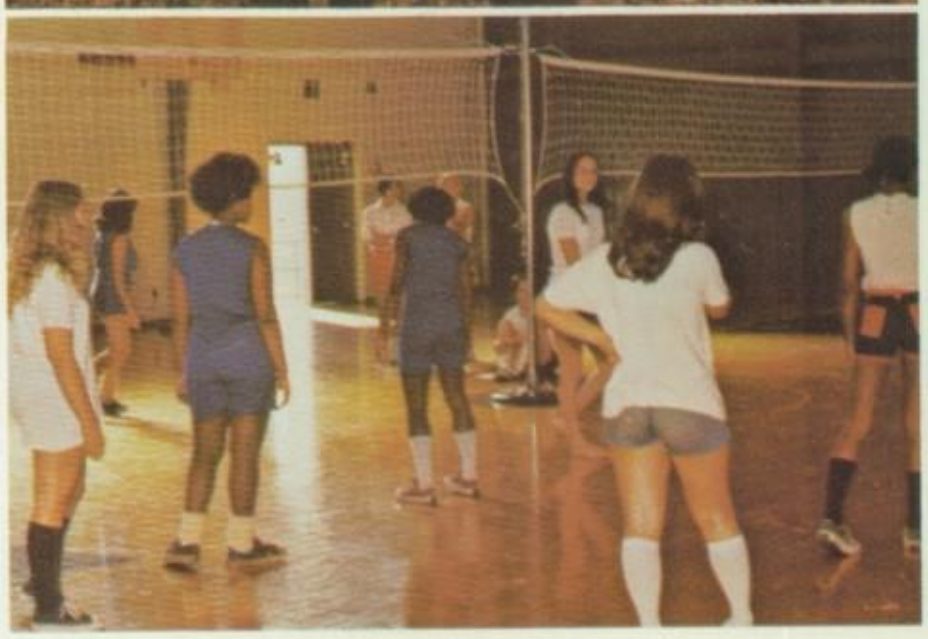


A time to be born, and a time to die



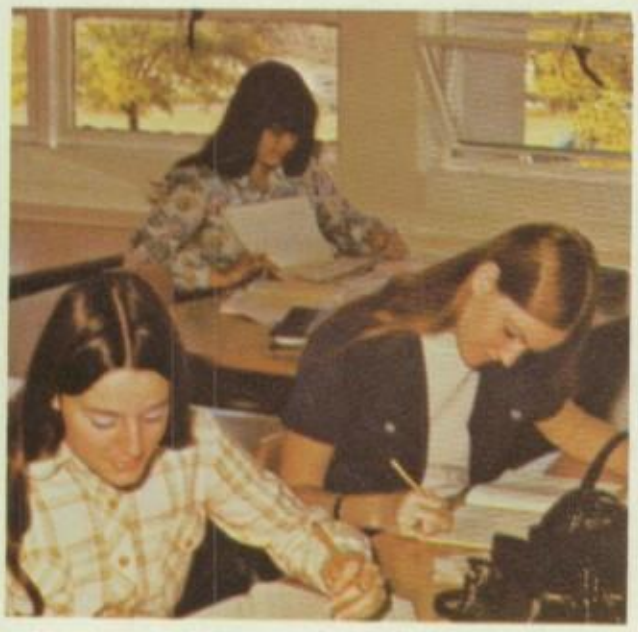
A time to plant, and a
time to pluck up that
which is planted

A time to kill, and
a time to heal



A time to break down

and a time to build up



A time to weep,

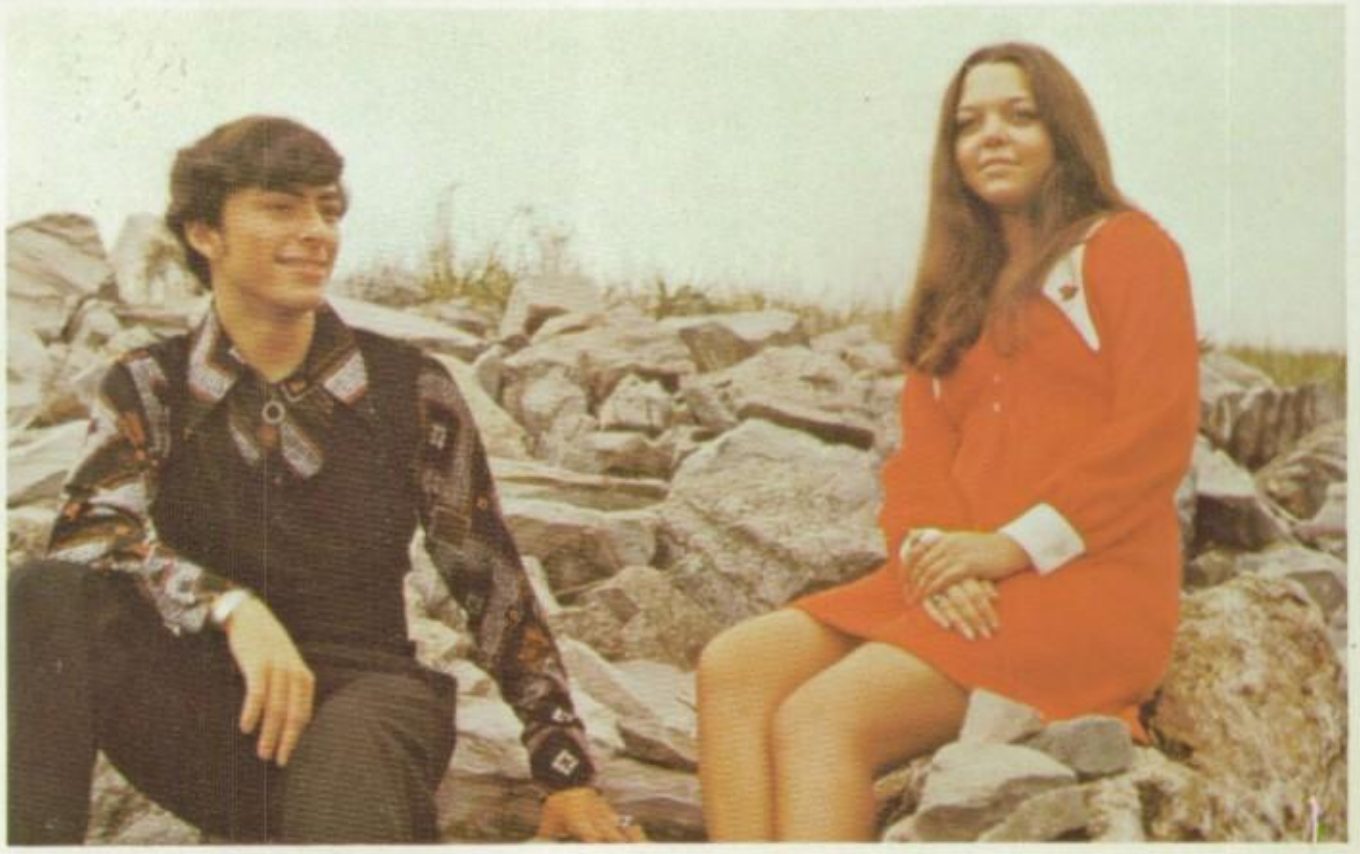
and a time to laugh

A time

to mourn

and a time to dance

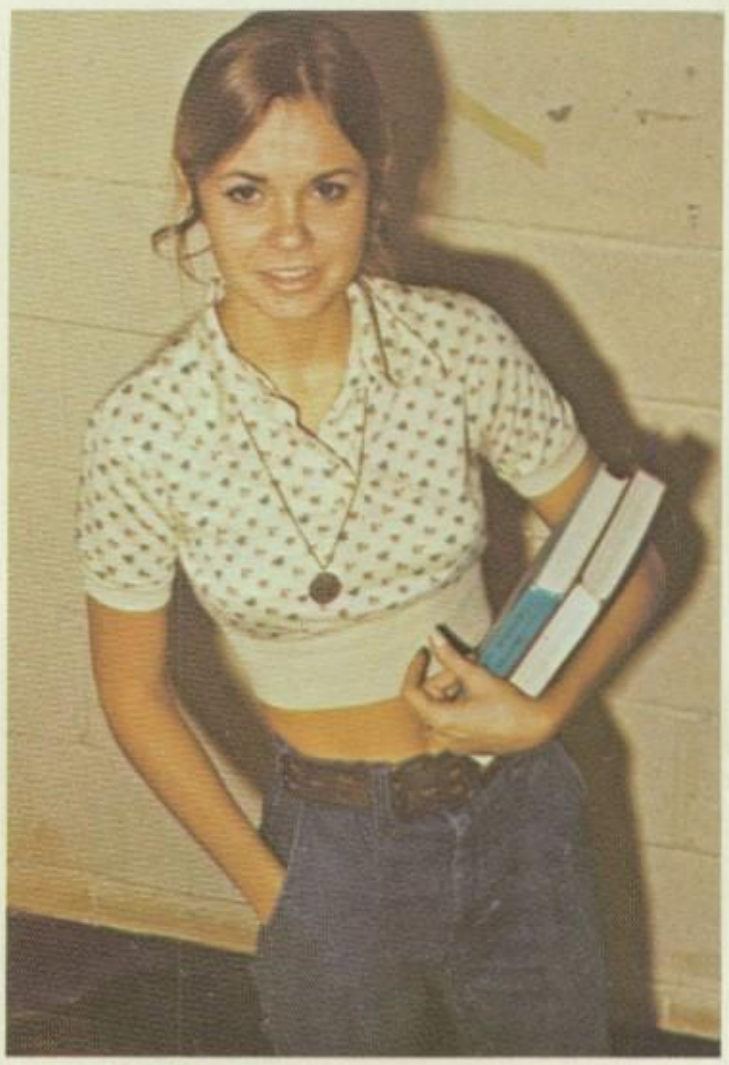
A time to cast away stones,

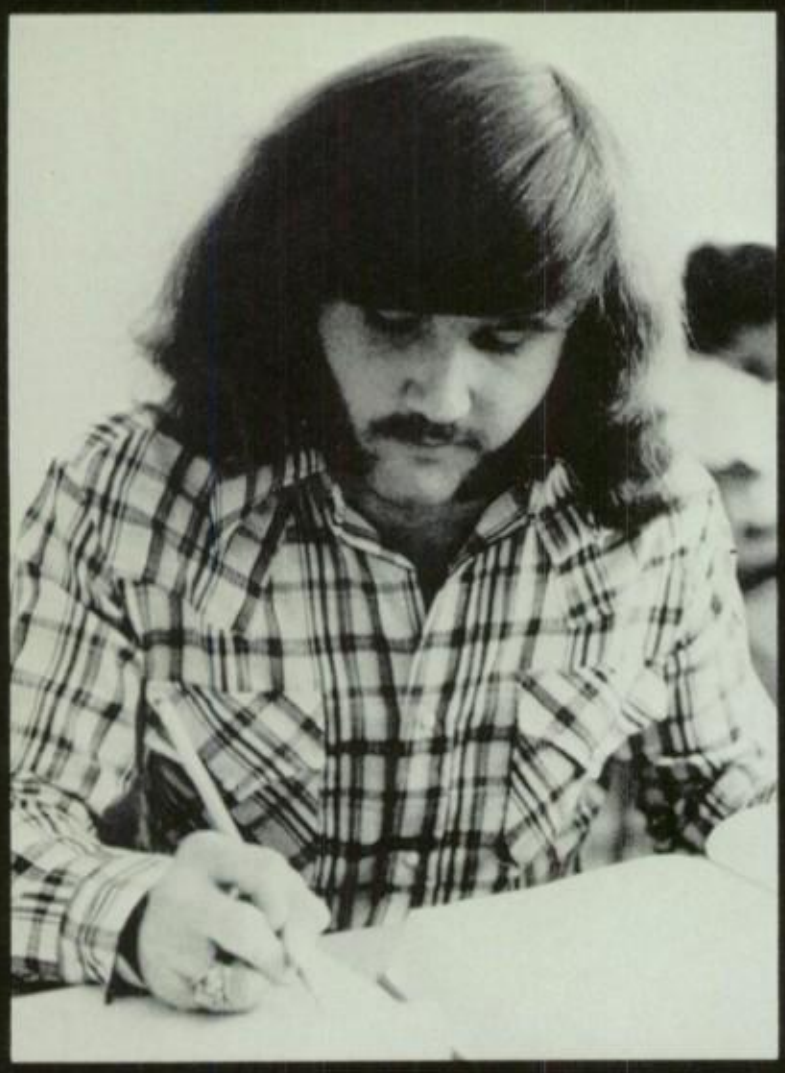


and a time to gather stones together

A time to
embrace,

and a time
to refrain
from embracing

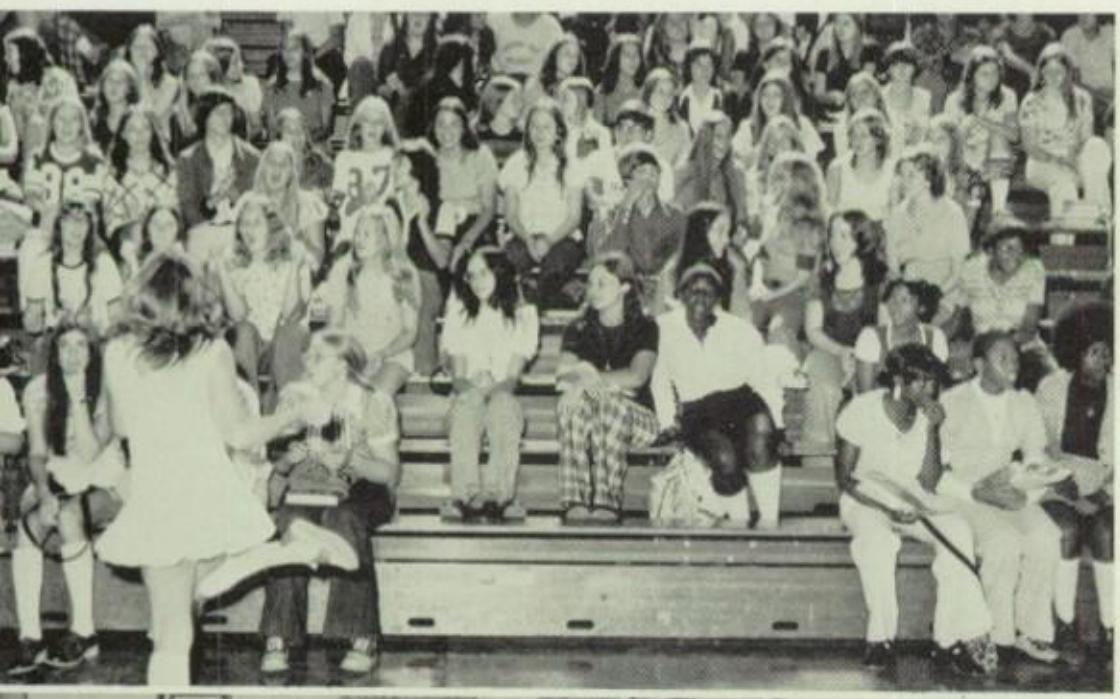




A time to seek,

and a time to lose

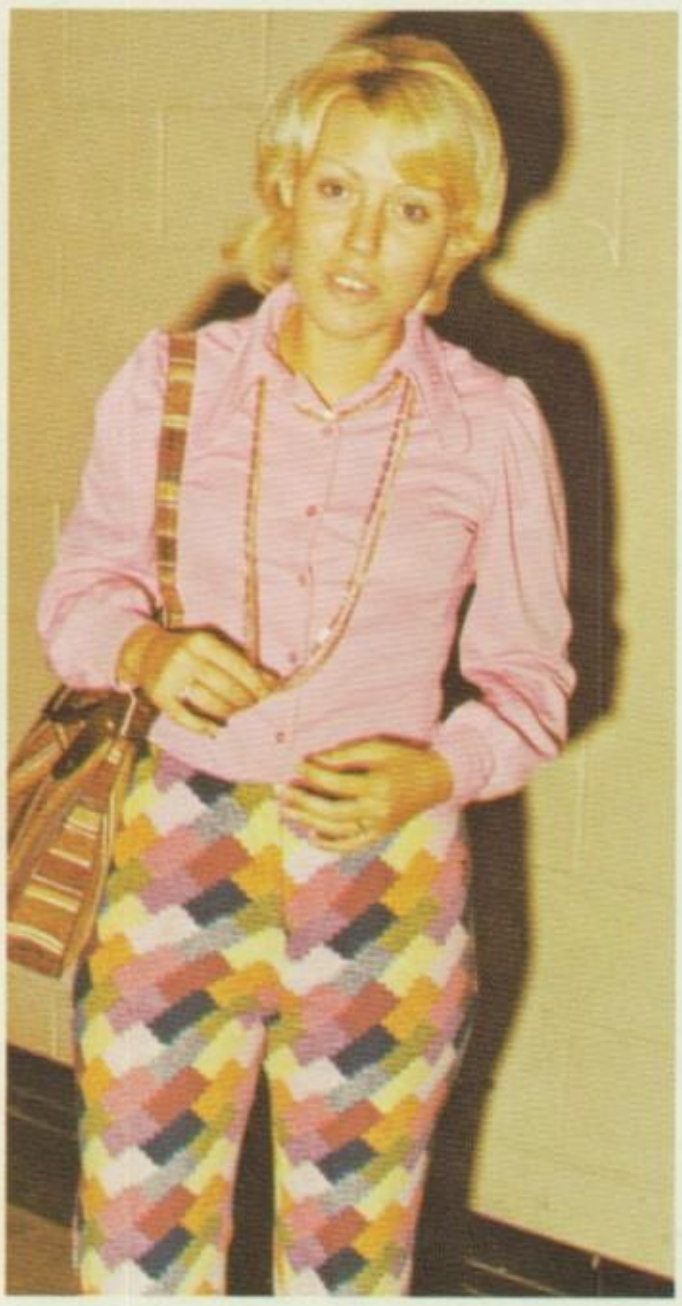
A time to keep, and a time to cast away



A time
to rend,

and a time
to sew

A time to keep silence,



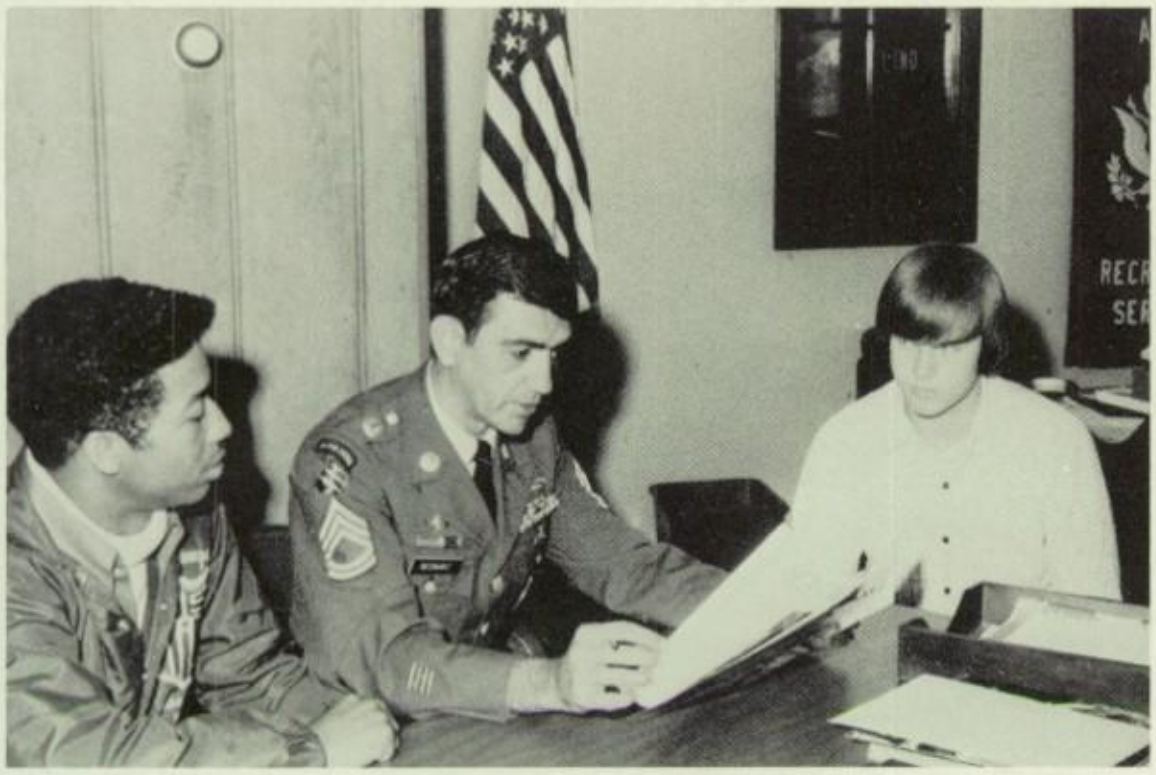
and a time to speak . . .

A

time

to

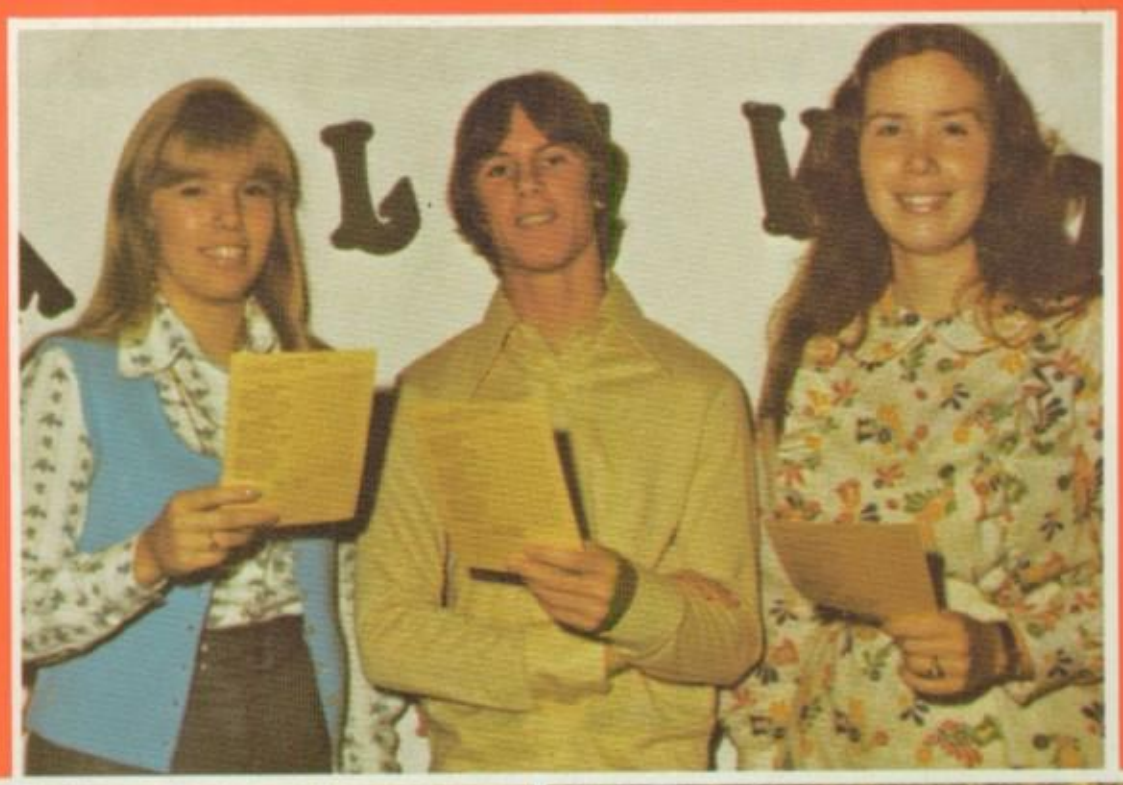
love



A time
for
war,

and a
time
for
peace

What gain has a worker



for his toil?

To everything there is a season
and a time to every purpose
under the heaven:

A time to be born, and a time to
die; a time to plant, and a time
to pluck up that which is planted;

A time to kill, and a time to heal;
a time to break down, and a time to
build up;

A time to weep, and a time to laugh;
a time to mourn, and a time to dance;

A time to cast away stones, and a
time to gather stones together; a
time to embrace, and a time to refrain
from embracing;

A time to get, and a time to lose; a
time to keep, and a time to cast away;

A time to rend, and a time to sew; a
time to keep silence, and a time to
speak;

A time to love, and a time to hate;
a time of war and a time of peace.

What gain has a worker for his toil?

The Senior Class of '74 wishes to be remembered as leaders, friends, and personable individuals. They have chosen Karen and Jimmy to best exemplify the qualities of character, poise, and leadership. Always a smile and a cheery hello helped the Senior class select these two outstanding personalities.

The title, Who's Who, implies the best-known, the most admired, in short, those that best represent the Senior Class of 1974. Chosen by their peers, they exemplify those qualities of personality, charm, and versatility.

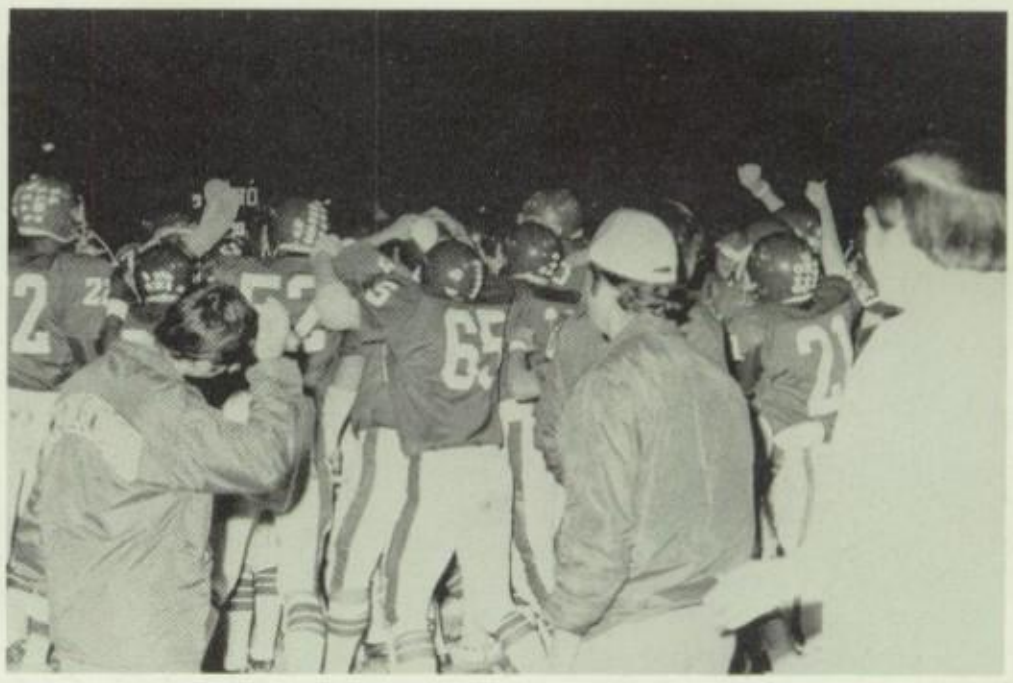
MID-STATE BOWL



MAPLEWOOD FOOTBALL 1973

The football team finished with a 7-4 record. They had to overcome several problems to accomplish this good record. A new coaching staff, learning a new system of play, replacing some super offensive players and placing personnel in the right positions were problems to overcome.

The defense with some experience had to assume much responsibility until offensive efficiency could be attained.

Players, managers and coaches worked hard as a unit to overcome these problems and continue the winning football tradition at Maplewood.

Maplewood again came away with honors in the Fall Metro One-Act Play Contest. This year's production received A's and B's plus a variety of characters on the All-Star Cast list. Daryl Brow led the way with 1st Male Actor in his portrayal of the Ragpicker. Candy Beazley, the "Madwoman," placed a delightful 2nd Female Actres Linda Farrell, extravagant friend of the Countess, enjoyed a well-deserved 3rd, and Joseph Grant dazzled as 4th Male Actor as a novice police sergeant. A joy to see, a dedicated group of supporters, another star in MHS's "Crown of Stars."

FORENSICS '74

The Maplewood Forensic Club

THESPIAN SOCIETY: Jacqui Eslick, Candy Beazley, Janet Davis, Linda Farrell, Daryl Brown, Cheri Boyte, Adele Rositano, Kathy Fosbinder, Kenny Blair, Barry Pickering

A busy year, full of hard work and fun, has brought the Forensics Club to an all-time height of involvement. Plays receiving A-ratings, individuals bringing home trophy after trophy, and planning and preparing overnight trips, have kept the officers, members, advisors, and supporters really hopping. They rank high in Metro standings and continue their excellent school performances for all to enjoy.

This year — another first — The International Society of Thespians, a world-wide drama organization, initiated its charter members at a banquet. Another big step in the advancement of Maplewood's culture programs.

Linda Farrell, Treas.; Elizabeth Hamilton, Sec.; Daryl Brown, V.P.; Candy Beazley, Pres.; Janet Davis, NFL Pres.; Jacqui Eslick, NFL V.P.

The Executive Council works for a better MHS Forensic Club.

SOPHOMORES

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.
